and follow the instructions indicated.

This Apostille only certifies the authenticity of the signature and the capacity of the person who has signed the public document, and, where appropriate, the identity of the seal or stamp which the public document bears.

This Apostille does not certify the content of the document for which it was issued.

This certificate does not constitute an Apostille under the *Hague Convention of 5 October 1961* when it is presented in a country which is not a Party to the Convention or with which the Convention is not in force as a result of an objection. In such cases, the certificate should be presented to the consular section of the mission representing that country.

This Apostille is not valid for use in the Philippines.
