To Whom It May Concern,

I am writing to recommend Ms. Zadia Mherraiz Lara Sapie who has been working as a Staff Nurse with Dallah Albaraka Medical Center for the previous four years. She was absolutely indispensable during this time. When she was hired as a staff nurse in 2010, it became obvious from her professionalism that she is efficient and methodical with the capability of remaining calm and active continually.

She has a special facility to handle patients and has all the best qualities that a nurse requires. She is a very sensitive and understanding nurse who knows how to support the patients' family when in emergency situation. Her pleasing personality and humbleness is liked by one and all in the hospital.

We at Dallah Albaraka Medical Center don't want to lose such a brilliant nurse but she has the right to grow and get more exposure, have more knowledge and scale higher in her carrier. I feel she is the right choice for the position in your hospital
