- Arranged medical appointments and transportation to and from the hospital.
- Ordered and picked up medication and medical supplies.
- Handled crisis and medical emergencies.
- Discussed patient's plan of care with the attending doctors and care managers.

Theresa is a very responsible, punctual and caring nurse and took excellent care of my father till he passed. She is extremely reliable and can manage caregiving independently. My family was blessed to have her with us during a difficult time. I strongly recommend her and would not hesitate to talk to anyone for reference.

This certification is being issued for whatever legal purpose it may serve her.
