Professional Summary

As a dedicated professional, I bring unique blend of skills and experiences. I possess a strong foundation in healthcare and a commitment to compassionate patient care. Additionally, my field of expertise extends to the culinary realm, where my experience as a skilled cake artist reflects precision, creativity, and attention to detail. This dual skill set allows me to approach challenges with a versatile perspective and a proven ability to excel in diverse environments.

Education

2001-2004 **San Pedro College / BS in Nursing**
